

Marketing & Community Engagement Internship

Interns at Make-A-Wish® Central & Northern Florida gain valuable interpersonal, leadership and critical thinking skills, while making a positive impact on the lives of local children with critical illnesses.

Marketing & Community Engagement interns will assist our marketing and community engagement team with spreading awareness about our mission through content creation and storytelling. Ideal candidates should possess strong communication skills, knowledge in Adobe products and creative writing skills. Candidate should be comfortable speaking on the phone.

Possible job duties:

- Content writing for social media accounts
- Creating marketing collateral through Adobe & Canva
- Contacting potential partners through cold calls
- Researching prospects for external events
- Writing wish stories

To apply: send your resume and cover letter to Kelli Robertson
